Mayor Rody and Municipal Council have received a grant from the Province of Ontario to complete an "AGE-FRIENDLY WAWA" project to see how living in Wawa is for seniors. The following survey is very important to help identify any needed improvements to services and supports to improve life for Wawa's aging residents. Your participation is very important and will help Council set community priorities related to accessibility, social activities, transportation and seniors' housing.

This survey will take about 15 minutes of your time. Only complete the questionnaire if you are 55 or over and live in Wawa. Your answers will remain anonymous and strictly confidential and only shared in aggregate form. Please remember that it is not necessary to answer all the questions and if you are unsure or do not want to answer a question, leave it blank.

Complete this survey by Thursday, December 18th and your name will be entered into a draw to win one of three \$50 gift cards from John's Valu-Mart. The draw will take place on Friday, December 19th.
