## NOTICE:

Aerial Photography of Michipicoten First Nation Reserve  
Between October 20<sup>th</sup> and November 15<sup>th</sup>, Algoma Drone Solutions will be accessing the Michipicoten Reserve (IR49) to launch drones to capture digital imagery of the following areas:

1. White Sands Residential Area
2. MFN landfill

IR49A (where Black Thunder is) and the former Algoma Ore Railway.

The purpose of collecting the aerial photography is to create high resolution imagery to build a geodatabase, complete with attributes (including building outlines, water servicing and septic locations, lot lines etc.). In order for the digital imagery to match up with the real locations on the ground, 10 'ground control' units will be placed around the community for about 60 minutes to collect essential location data (image below). If you come across one of these units, please do not move them! Even moving the ground control units slightly can create major distortions in the data.

Creating a geodatabase for Michipicoten will allow for more effective management of lands, and will also allow MFN to have useful maps and other spatial information online in the future!

Miigwetch!

As Service Canada is gradually re-opening some in-person locations for key services, Canadians should continue to use Service Canada's online services whenever possible.

Our priority is the health and safety of all Canadians, while maintaining service to the public. In response to COVID-19, Service Canada is changing how we serve clients and communities. To ensure critical service delivery to clients, clients can access our services in three ways:

### **Option 1 (preferred option for most Canadians)**

Clients can access Service Canada programs, services and benefits through our online services and call centres.

Please access our many online services at:

[Canada.ca/service-canada-home](https://Canada.ca/service-canada-home)

Please contact our call centres at:

**Service Canada 1-800-O-CANADA (1-800-622-6232)**

**Employment Insurance 1-800-206-7218**

**Canada Pension and Old Age Security 1-800-277-9914**

**Canada Emergency Response Benefit 1-833-699-0299**

**Social Insurance Number 1-866-274-6627**

### **Option 2 (for further support and assistance)**

If clients require further support and assistance to access critical benefits, help is available through an e-service request available online and on mobile phones.

**If you require assistance accessing services or need to make an appointment for an in-person service, please complete an online request at:**

[Canada.ca/service-canada-e-service](https://Canada.ca/service-canada-e-service)

**A Service Canada officer will contact you within two business days.**

**Option 3 (only for those with other barriers or NO computer access)** If clients do not have access to a computer, the internet, or have other barriers, they can contact the Service Canada Outreach Support Centre toll-free service. TTY service is available.

**Outreach Support Centre**  
**Monday to Friday 8:30 a.m. to 4:00 p.m.**  
**Western Provinces and Territories: 1-877-631-2657**  
**Ontario: 1-877-355-2657**

**Atlantic Provinces: 1-877-464-2657**  
**TTY: 1-833-719-2657**

Services available:

- Employment Insurance
- Canada Emergency Response Benefit
- Information and form filling assistance for Canada Pension Plan / Old Age Security
- Social Insurance Number
- Information and referral for other federal programs and services

Recognizing that the majority of Canadians will be able to access benefits through Options 1 and 2, Option 3 is a call Centre with limited capacity and is designed to support the needs of only our most vulnerable clients with no other means of accessing service. For this reason we request that you do not post the signage provided in general public areas.

Thank you for your support in ensuring that Canadians continue to receive access to critical services and benefits.
