

# COMING TO MICHIPICOTEN

## August 5-8, 2021

### Shawn Leonard - *Spirit Talker*

*Spirit Talker* is a documentary series that follows Mi'kmaq medium Shawn Leonard as he travels from coast to coast using his psychic abilities to connect the living with the dead and bring hope, healing, and closure to indigenous communities.

Shawn, named White Eagle Spirit Talker by a Mi'kmaq elder, has built a reputation as one of North America's most gifted and accurate mediums.

The Spirit Talker Production Team will be in the Michipicoten area from August 5-8, 2021

There are four reading opportunities for you or your immediate family (up to three people), to receive a reading from Shawn Leonard for those who applied for tickets at Eventbrite. If you receive a call from a 902-area code, it may be one of the production team telling you that you have been chosen for a reading.
