

March Break Fun at MFN!

Over the March Break, MFN held some activities for all the youth and their families. Nancy Andre, Community Wellness Worker, organized some great activities for everyone - Snow Sculpture contest, Scavenger Hunt, Snowshoe Day, and Sliding/Skating with a wiener roast! Unfortunately due to the melting snow conditions, the ice fishing at Pike Lake had to be cancelled.

Chi-miigwetch to Nancy for organizing a fun-filled week and to the MFN Carpentry Crew for maintaining the ice rink, sliding hill, and clearing the road to Pike Lake!

Also, Chi-miigwetch to everyone who participated!!

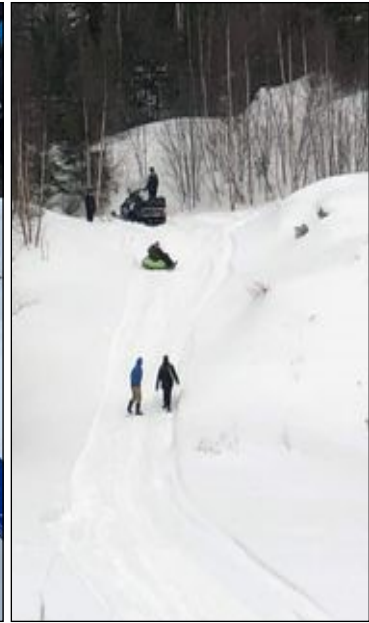

The participation prize winners for all activities are:

Alijah - hover board
 Rhaina - iPod
 Brett - hover board
 Theodore - iPod

Congratulations!
