

# Rock Your Mocs week - Nov. 13-19, 2022

Michipicoten First Nation took part in the Rock Your Mocs week that is a worldwide social media event that is celebrated every year as a positive opportunity to be united and celebrate tribal individuality by wearing moccasins. We honour our ancestors, and indigenous peoples worldwide, during Rock Your Mocs events and commemorate National Native American Heritage Month.

Susan Skyum - "I was gifted by my great aunt. She told me that her grandmother made them, so I am guessing they are at least 150 years old."
