

CONSTRUCTION NOTICE: New Housing Lot Preparation

Description of Work

As a part of Michipicoten's New Housing Development, work will be undertaken to remove vegetation and topsoil from the identified new housing area. Heavy equipment will be utilized to remove and process wood, perform rough grading and the hauling of material off site.

Hours of Work

Lot preparation work will begin in full on Monday February 27, 2023. The Contractor will be working between the hours of 7:00am to 7:00pm Monday to Friday. It is expected that the contractor may undertake some minor work operations on the weekend of February 25/26, 2023, including setting up the staging area and mobilizing equipment to site.

Disruptions

Work may include the use of Cemetery Rd and the Dump Rd for hauling material or moving heavy equipment required to complete the scope of work. The Skating Rink Area will be used as a staging area for this work, and Michipicoten's contractor will minimize disruption to the use of Cemetery Rd.
