

The MFN Community Energy Champion in conjunction with Kids World of Energy Stem Festival & Relay Education presents...

# "Concentrate on Conservation"

**Tuesday May 2**  
**5:30pm-8:00pm**  
**3 Maple Street**

Join our interactive online workshop followed by a hands-on building of a "Design Challenge"

We will be doing live experiments with a model wind turbine and/or solar panel.

**DIVE INTO RENEWABLE AND NON-RENEWABLE ENERGY,  
CLIMATE CHANGE AND ENERGY CONSERVATION**

**Come learn and have FUN!**  
**Bring your FRIEND and/or**  
**FAMILY MEMBER!**

**All materials will be supplied!**  
**Snacks and prizes!**
