

Biodiversity Project Updates

Join MFN's Lands and Environmental Stewardship Department (virtually) for updates on our 2024 biodiversity projects!

To ensure that all those interested can attend, we will be hosting identical virtual sessions via Microsoft Teams during two different time slots.

NOVEMBER 5

SESSION 1
10 AM - 12 PM

SESSION 2
6 - 8 PM

Please RSVP to LES@michipicoten.com.

Meeting links will be sent to all interested, following
RSVP.
