

Michipicoten First Nation

National Native Alcohol & Drug Abuse Program (NNADAP)

Aanii, Bozhoo, Hello,

My name is Jamie Panco-Fox and I am the newly hired NNADAP Worker based out of the Sault Ste. Marie office. The NNADAP program is a new and much needed program in almost every community. Michipicoten is extremely lucky to have this great program added to the Health & Social Services department for Michipicoten members and their families. Anyone from Michipicoten First Nation can access services from the NNADAP program. I will be travelling to Wawa and Michipicoten First Nation as part of my role so that I can deliver services to those who choose to reach out. Services will include but are not limited to:

- Counselling
- Sharing Circles / Elder Visits
- Intervention / Prevention Programs
- Referrals / Detox Planning
- Treatment Planning
- Support Visits
- Social Service Referrals-Housing
- Recreation Activities
- Aftercare Planning
- Workshops
- School Programming
- Aftercare Programs
- Outreach Appointments

If you or anyone you know are struggling with substance misuse, please feel free to contact me:

Jamie Panco-Fox
